## Weekly Literacy

**Reading** – We will be finishing our visualizing unit this week!

Next week, we will start on sequencing stories.

**Writing** – We will be finishing our Realistic Fiction class stories in the next few days. Students will be learning to write “How To” stories next!

November 6<sup>th</sup>, 2017

## Left Brain Learning

**Math** – For the next few weeks, we'll be reviewing addition and subtraction strategies that we've learned in class. We are learning the relationships between addition and subtraction!

**Sci./SS** – We will be discussing more American Symbols this week and recreating the symbols we learned!

## Announcements:
